

F. No. 5/22/2013-14/RT
Ministry of New and Renewable Energy
Solar Rooftop Division

To

All de-empanelled agencies/ SNAs/SECI/PSUs/implementing agencies

Sub: Submission of online PCRs by De-empanelled agencies

Ministry, vide letter of even no. dated 30.05.2017, has de-empanelled 71 agencies for non-performance/non-responsiveness in SPIN portal. In this regard, representations have been received in Ministry to reinstate the empanelment of these agencies. Hence, Ministry has decided to provide a two day window to these agencies for uploading data. The SPIN portal will be opened for these agencies from 23.08.2017 (10 AM) to 24.08.2017 (5 PM) for entering online project completion reports (PCRs) of **non-subsidized** data only.

- 2. Decision on re-empanelment would be taken on the basis of performance of these agencies as reflected through project completion reports on SPIN portal. The agencies which have not installed any non-subsidized projects may submit a nil report.**
- 3. All de-empanelled agencies are hereby directed to submit their PCRs online on SPIN portal in the given time frame. No relief would be granted thereafter.**
- 4. All SNAs/SECI/implementing agencies are also directed not to withhold the subsidy/CFA of de-empanelled agencies for projects allocated/sanctioned to these agencies prior to de-empanelment.**

(Dr. G Prasad)
Director
21.08.2017
